

Eton Park Junior: A de Ferrers Trust Academy Pupil Premium Funding Report 2019-20.

At Eton Park Junior, we are committed to providing all of our pupils with a balanced and broad curriculum to enable all pupils to achieve and succeed. The school receives funding to ensure we provide additional support to raise the attainment of disadvantaged pupils, this is called Pupil Premium. Every pupil who is eligible for free school meals, or who has been in receipt of them in the last six years, receives £1320 for the academic year. Pupils who are looked after receive £1900 and service pupils receive £300. All of these pupils are referred to as Ever 6. It is our role to ensure we allocate and spend this funding responsibly in order to have an impact on the progress of these pupils and close the gap between the non-pupil premium pupils.

As of 2018 - 2019 the funding for pupil premium (disadvantaged children) has changed. Every pupil who is eligible for free school meals or has been in receipt of them in the last six years, receives £1320 for the academic year. Pupils who are looked after receive £2300 and service pupils receive £300. The only change that there has been is that looked after children receive £400 more than previous years. All of these pupils are still referred to as Ever Six.

Financial Year		Amount of Pupil Premium Funding
2018-2019		£109,420
Funding Proposed For: 2019-2020		£93,340
