

Welcome to year 3!

Each week your child will receive reading, spelling, and maths homework. This homework sheet is designed for you and your child to explore various opportunities to support their learning this term.

We would like children to complete at least five of these projects each half term. Your child has until the Easter holiday to complete 5 of these projects. Children's achievements will be celebrated and rewarded in school. Your child can use ICT to present their projects if they would like to.

Be an artist

Find out about Hieroglyphics. Can you write your name?

Design a sarchophagus fit for a King.

Imagine you are a tourist seeing the pyramids for the first time, sketch or paint your view

Year 3

Spring Term

Ancient Egyptians

Be an explorer

Imagine walking the length of the Nile. How many miles is this? What might you see along the way? Which towns would you pass through?

Imagine you stumble across an open tomb. What would you see inside? Write a diary entry of the day you discover it.

Visit Derby Museum and see the Mummified Egyptians for free!
